Art. Unit: 2665

1. The reissue oath/declaration filed with this application is defective because it fails to identify at least one error which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414.

The oath or declaration **must identify at least one error** being relied upon as a basis for the reissue and that it is indeed an appropriate error for reissues (see 37 CFR 1.175(a)(1)). In addition, the oath or declaration must also point out the differences between the new claims and the original claims (see MPEP 1414). In this case, the applicant merely reproduce the entire set of new claims without identifying at least one error being relied upon as a basis for the reissue and that it is indeed an appropriate error for reissues, which is not acceptable form of an error.

2. Claims 15, 17-23, 25-40, 45-52, 57-59, 64-67 are rejected as being based upon a defective reissue oath/declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath/declaration is set forth in the discussion above in this Office action.

3. The applicant is request to submit a Form PTO-1449 listing all patents, publications, or other information listed in the Original Patent and/or the Reissue Patent for consideration by the Office.
